

SYNERGISTIC NON-ABRASIVE GALVANISED STEEL CLEANER.

ECO FRIENDLY

PRODUCT CODE **AD004**

PRODUCT DESCRIPTION

Marmoran Galvo Clean is a highly efficient non-abrasive acidic type liquid for cleaning new and oxidized galvanised steel surfaces prior to painting.

FEATURES & BENEFITS

- Is effective across a wide temperature range.
- Is supplied as a ready for use red/pink in colour.
- Is highly efficient as a degreasing agent.
- Removes surface oxidation from galvanised steel.
- The adhesion of the primer is greatly improved.

COLOUR & AVAILABILITY

- **Marmoran Galvo Clean** is a pink-red liquid supplied in 1, 5 & 20 litre containers.

USES & APPLICATIONS

- **Marmoran Galvo Clean** is used prior priming and painting.
- **Marmoran Galvo Clean** may be applied by brush or spray.
- **Marmoran Galvo Clean** is supplied ready for use.

APPLICATION METHOD

1. Spray or brush the ready for use **Marmoran Galvo Clean** onto the steel surface using a low pressure atomiser.
2. Allow to react for 1- 2 minutes.
3. Remove all traces of **Marmoran Galvo Clean** by using a broom or brush and make sure all contaminants are removed from the surface.
4. Repeat if necessary until a water break free surface is achieved. Allow to dry.
5. To prevent re-contamination make sure the cleaned area is primed as soon as possible.

PRODUCT DATA

Composition	Acidic-type Compound.
Solvent Type	Water
Theoretical Spreading Rates	8-10 m ² / L / coat
Solvent for Cleaning	Water
VOC LEVEL	0g/L 0 %
Shelf Life and Storage	6 - 8 Months in unopened containers. Store in a cool dry and well ventilated place away from excessive heat or open flame. Do not allow to freeze.

TRANSPORT This product is non hazardous in accordance with Transportation and Classification of Dangerous Goods Act (1996)

HANDLING & SAFETY This product is water based and non-toxic. Keep out of reach of children. It does contain chemicals that may be irritants to mammalian tissue. Appropriate protective clothing must be worn. Protect eyes and skin from exposure. If the product is being sprayed, ensure adequate ventilation and ensure the use of proper ventilated masks. Wash spillages immediately with water. Do not induce vomiting if swallowed. Consult a physician if irritation of skin persists or if product is ingested. Gather up environmental spillages, and dispose of in accordance with regulations of the local authorities.
