

## PRODUCT GUARANTEE PERIODS

### CONDITIONS:

A MARMORAN PRODUCT GUARANTEE CERTIFICATE is issued on condition that the system is applied by a Marmoran Licensed Applicator in strict accordance to the full specification. Due to the demand for the highest standard of application and finish, it must be applied by a trained applicator that is skilled and experienced.

### REQUIREMENTS:

1. The request must be initiated before starting the project.
2. Scheduled site inspections must be documented. These must include pre, during and post site inspections which must be done in conjunction with the Licensed Applicators' Site Manager.
